To Whom It May Concern,

This letter is in response to the recent request your corporation made regarding the use of GMO (genetically modified material) in Quick Dry Foods products, including Spinach Powder, Beet Powder, Chipotle Powder, and Jalapeno Powder

To the best of our knowledge, Quick Dry Food's products are GMO free.

Conscious of consumer sensitivities to GMO, Quick Dry Foods is currently in the process of reviewing this issue and we will continue to monitor developments as to be able to respond to any requirements that may emerge in the future. Products requiring irradiation are done upon request.

If you require any additional information, please contact us at 847-785-1249.

Thank you
